

Get Your Message on 89.1 KWFC Radio - The Sound of Home.

There are three options available for getting your information on-the-air or online. If your organization is non-profit, it is required that we have proof on file that you are recognized as a non-profit organization and in good standing in the state. Christian Schools and Colleges promoting enrollment and/or Open House as, well as ministry organizations which offer fee-based services must use option #1.

**Option #1:**

Enhanced services for non-profit organizations are available for increased on-air exposure for a nominal fee. Both 30-second & 60-second announcements are available, but a 30 second announcement is recommended. All announcements air Monday through Friday, between 6am and 7pm. The rates offered are at discount for churches and non-profit organizations. Contact us for rates and details.

**Option #2:**

Underwriting opportunities for retail businesses are also available for a structured fee. This is not a commercial but rather an "Underwriting Support Partnership" acknowledgement message. It is intended to acknowledge and thank your place of business for financial support of KWFC Radio, while also providing you a degree of on-air awareness, name recognition and "branding" of your business. For more information, contact our offices.

**Option #3:**

Announcements and listings are offered at no charge for churches and non-profit organizations, PENDING AVAILABILITY and STATION REVIEW. Space is limited and fills up quickly. Your announcement or event listing can be submitted online using our FAMILY CALENDAR tab. You'll need to first sign up as a "Member" and then the submission process of your item is fairly simple. Once approved, it will post and appear on kwfc.org on the Family Calendar page. Some certain select items appearing on the online Family Calendar may also be selected (at random) to be spotlighted on the air for our broadcast version of the Family Calendar feature. There is no charge for your organization for either of these placements, but there is no guarantee of placement or how often the item may be heard.

You may reach the 89.1 KWFC Radio business office for questions during normal business hours on weekdays: 417-869-0891.
